ROYAL WINDSOR
HORSE SHOW

Royal Windsor Horse Show is the most important outdoor equestrian event in the UK. It is more than 80 years old, is housed in the beautiful private grounds of Windsor Castle and is proud to have His Majesty King Charles III as its Patron.

More than **3,000 horses and ponies** will compete in international and national equestrian events during the Show, including **Dressage, Show Jumping, Driving and Showing.**

There are also **120 shops** to browse and the new 'Hubs' with their own programmes of entertainment to cover all areas of interest including art, gardening, food, performance and well-being.

The Lugano Orangery at Royal Windsor Horse Show offers the very highest quality hospitality experience for you and your guests.

Housed in a stunning glasshouse, this exclusive enclosure is available to fewer than 100 guests each day and has the very best views of all the sporting action in the Castle Arena.

Inside The Lugano Orangery, guests will enjoy the lounge area, bar and their own allocated table for use throughout the day.

The viewing platform and outdoor seating offer a comfortable space with excellent views of all the competition.
