Declarations

COMPETITORS ARE REQUIRED TO DECLARE THEIR STARTERS FOR ALL BRITISH SHOWJUMPING COMPETITIONS (CLASSES 1 AND 2) BY 6.00 P.M. ON TUESDAY, 12TH MAY 2026.

Declarations can be made via email to entries@hpower.co.uk from Thursday, 7th May and will close on Tuesday, 12th May 2026 at 6.00pm.

Declarations, for Class 115 – Under 25 Jumping Competition, should be made by 6.00pm on Friday, 15th May 2026.

Any competitors with accepted entries who do not declare before this time will be replaced by those competitors who have selected to be included on a waiting list. This policy is intended to maximise the numbers of national jumping competitors able to benefit an opportunity to compete at the show.

No competitor will be allowed to jump Hors Concours.

Substitutions

All substitutions must be made at the time of declaration and must be made in accordance with British Showjumping Rule 79.4.

1. Substitutions will only be accepted in writing to the show secretary.
2. The horse substituted must be registered in the same ownership as that of the original entry and if so registered may be ridden by any rider qualified by the conditions of the competition to do so. Additionally, an Authorised Agent may substitute any horse for which he has authority to act under Rule 33.09.3 for an entered horse for which he has authority to act, but in this case the horse substituted must be ridden by the rider already entered to ride the original entry.
5. No horse that is already entered in a particular competition may be substituted for another horse entered in the same competition except following a change of ownership as provided for in Rule 79.1.
6. When the ownership of a horse changes, the right to substitute in respect of any entries of that horse made prior to the receipt of Notice in Writing by the British Showjumping Office in accordance with Rules 22 & 23 remains with the previous owner or his Authorised Agent unless the previous owner gives Notice in Writing that the horse has been transferred with engagements in which case the right to substitute passes to the new owner or his Authorised Agent.
7. No horse may be substituted in any competition which is not fully eligible and qualified for that competition unless the schedule specifically states otherwise.
8. An authority to act is granted under Rule 33.09.3 to enable a bona fide trainer or rider, to whom an owner entrusts his horse, to enter that horse in competitions and to substitute as necessary for other horses in his

charge. It is not to be used as a temporary expedient to enable an owner whose horse has not been accepted for entry in a particular competition to take over the entry of another owner who does not wish to compete.

RULES, REGULATIONS AND CONDITIONS OF THE ROYAL WINDSOR HORSE SHOW

DECISIONS

1. The Decision of the Committee or the Veterinary Surgeons or of any Judges or Show Officials upon any of the matters required by the following Rules to be decided or directed by any such persons or bodies including any question of height or soundness or want of merit or exclusion from final judging or granting any permission or otherwise shall be final and binding in all respects and no objections shall be made on account thereof nor shall any appeal lie therefrom on any ground whatever.

ENTRIES

2. The Committee will adhere as closely as possible to the published Schedule and Catalogue, but reserve the right in their absolute discretion to put forward or alter any class without notice, if they find it expedient to do so, and the right to refuse any entry, to accept any entry conditionally, and cancel any class through lack of entries or for any other reason, in their absolute discretion. In addition, the Committee have the right to refuse an entry for any reason whatsoever or ballot any class that is oversubscribed. The Committee reserve the right without assigning any reason to alter the times of any Classes, or to judge Classes in Judging Rings other than those specified in the order of judging, or to make such alterations, including conditions of entry, as may be deemed necessary. Owners must be bona fide owners on Friday, 20th March 2026, of the horses which they enter, and such Owner's name will appear in the Show Catalogue. The billing contact alone will be recognised as being entitled to any money prizes which may be won by the entries made by him. No entry will be accepted unless accompanied by the entry fee. Entries must be made online. There will be an administration charge of £5.00 applicable to all entries. No Postal Entries will be accepted. No late entries will be accepted. The Entries team will accept no further changes to existing entries even with a vet or doctors certificate after the Thursday, 23rd April 2026. Only withdrawals will be processed after this date. If a Competitor has outstanding entry fees, this will mean we will not accept a future entry until a Competitor's account is cleared. Prize money will also be held against the outstanding amount. The Organisers reserve the right to refuse an entry for any given reason or ballot any class that becomes oversubscribed. Entries are always subject to any unforeseen circumstances, such as military exigencies, strikes, or other civil disturbances, fire or other contingencies of any description preventing or rendering it undesirable in the opinion of the Committee for the Show to be held or continued as the case may be, and the Committee may postpone or abandon the Show at their discretion. All entries stand for any postponed show unless withdrawn by written notice to the Secretary within one week of notification of public announcement in the press of such postponement. The postponement or abandonment of the Show either before the opening or at any time during the course of the Show shall not give rise to any claim whatsoever against the Royal Windsor Horse Show or the Committee by Owners, Competitors or others except for refund of prepaid entry fees over £76.50, in respect of classes or competitions not held, or a proportionate part of such fees according to circumstances; in the case of postponement refund will only be made in respect of entries duly withdrawn. Failure to exhibit any animal entered will entail forfeiture of entry and stable fees to the Show and no refund will be made in any circumstances. The Docking and Nicking of Horses Act 1949 will be strictly complied with.

CLAIMS

3. The Owner of any horse which shall cause or occasion any damage or injury whatever shall indemnify and hold harmless the Show from and against all legal proceedings, actions, expenses, costs, claims, demands or damages whatsoever arising from any accident or other incident which may occur, and repair any injury which may be so occasioned. Each Owner shall be solely responsible for any consequential or other loss, injury or damage done to, or occasioned by, or arising from any animal exhibited by him, and for the description as given in the Catalogue; and shall indemnify and hold harmless the Royal Windsor Horse Show in respect thereof as aforesaid. Neither the Show nor any of its officers or servants shall be in any way responsible or accountable for anything that might happen from any cause or circumstances whatsoever to any persons, or Owners, or their servants, or to any animal or article exhibited, or property brought into the Show Ground and the adjoining Home Park, Windsor, or otherwise for anything else in connection with, or arising out of, or attributable to the Show, or

these or any other conditions or regulations prescribed by the Show in relation thereto. Every Owner must have at least one servant in charge of the horse or horses or property exhibited by him.

The forgoing conditions shall expressly apply to all horses and those in charge of them at Stables let by or through the Show.

CARS AND VEHICLES. Vehicles are permitted on the showground, car and horse box parks ONLY AT OWNERS' RISK. No responsibility is accepted for cars or other vehicles and/or their contents left in the Official Car Park, or elsewhere, before, during, or after the Show, at any time. Maximum permitted speed is 10mph. All drivers to obey the instructions of security staff, car park attendants, stewards and other officials.

OBJECTIONS

4. Any objections relating to competitions affiliated to British Showjumping must be made in accordance with British Showjumping Rule 198.

For all other competitions, any objection or protest shall be lodged by obtaining a printed "Objection Form" from the Organiser's Office on the Show Ground, which must be properly filled up and signed by the Objector and delivered to the Entries Secretary before or within thirty minutes of the end of the judging of the Class in respect of which the objection is lodged.

DEPOSIT (a) Objections (regarding height) to any animal holding an Official Measurement Certificate issued under the Joint Measurement Scheme will be referred to the Joint Measurement Scheme of the British Horse Society, British Show Horse Association, National Pony Society and the British Show Pony Society, and Owners so objecting must deposit the sum of £165, which will be also forwarded with the objection.

(b) Any Owner lodging any objection for any other reason must deposit the sum of £165. If the objection is sustained the deposit of £165 will be refunded, otherwise the deposit will be forfeited.

5. A Sub-Committee of the Committee of the Show has been formed to consider and deal with all objections excepting those classes run under British Showjumping rules. It is a further express condition of entry that the decision of this Sub-Committee shall be absolutely final and binding on all competitors or others interested in any capacity on the Show Ground. The Committee shall consist of the Chairman, Mrs M Begley, N O Brooks-Ward Esq, Mrs S Chapman, Mrs S Dance, S D B Garner Esq and N Hollings Esq. A sufficient quorum of the Committee shall be three.

6. Any objections to mark sheets should be made within 24 hours of the marks being posted to the Royal Windsor Horse Show results page.

CUPS AND CHALLENGE CUPS

7. (a) Prize-winners in every class eligible for Championship Classes and winners of prizes for Challenge Cups must compete for such Cups or they will forfeit their class prize money.

(b) Because of the unique and irreplaceable nature of many of the Royal Windsor Horse Show's cups and trophies, the Committee have reluctantly decided that winners of cups and trophies will not be permitted to take them from the Show Ground.

CERTIFICATE OF AGE

8. In any class in which there is an age restriction the name, address and date of birth of the Rider must be stated on the Entry Form before an entry will be accepted, and the Parent or Guardian must, if required, produce to the Entries Secretary a certified copy of the entry of birth within seven days of the date of such requirement.

HEIGHT

9. Recognised Official Measurement Certificates, issued under the Joint Measurement Scheme of the British Horse Society, British Show Horse Association, British Showjumping, National Pony Society and the British Show Pony Society only must be produced if required.

All horses must be properly shod except for in-hand classes.

A false declaration or misstatement of any kind (including a change of names of an animal or incorrect description, or false declaration of prizes won at Horse Shows) may at the discretion of the Committee disqualify an Owner from the Show and the animal entered from any prize, and from entering or being entered again at the Royal Windsor Horse Show. In particular a misstatement as to height will automatically render the animal entered ineligible for any judging or prize. Owners must be prepared to verify any statement in a manner required by the Committee.

DISQUALIFICATION

10. In the case of an animal being disqualified whether as a result of any objection or otherwise, the winner of the next succeeding prize in that class shall take the prize that has been awarded to such disqualified animal, and the other animals shall take prizes accordingly, and the lowest monied prize in the class shall be taken by the reserve number.

ROSETTES

11. Rosettes will be awarded to first, second, third, fourth and fifth prize-winners in each class and where a sixth prize is offered a sixth rosette will also be awarded. In Championship classes rosettes will be awarded to the Champion and Reserve Champion.

CLASS

12. With the exception of British Showjumping affiliated competitions no alterations or substitutions of an entry will be allowed after it has been received. Entries must therefore be made in the appropriate class or classes for which the animals entered are eligible. In case of doubt as to the eligibility of any animal for any particular class or classes, entries may be made in more than one class on paying the fee for each class, and the animal will be judged in any class or classes for which it may be found to be eligible, but no refund of entry fees will be made.

A horse entered in a wrong class will be excluded from competition and the entry fee forfeited but at the discretion of the Judges any horse over the specified weight may be directed to another class.

Owners may remove their animals from the Show Ground after judging of the classes in which they are entered, unless eligible for Championship Classes.

The number of animals which shall be asked to give an individual show in any class and the number of horses a Judge shall ride shall be left entirely to the discretion of the Judges.

ASSEMBLY

13. Competitors must assemble in the Pre-Collecting Ring at least half an hour before the appointed time at which they are to be judged or paraded as advertised in the Catalogue. Competitors arriving in the Pre-Collecting Ring after their Class has entered the Arena/Ring will be disqualified.

CHILDREN'S RIDING CLASSES

14. The wearing and use of spurs is forbidden.

NUMBERS

15. Horse numbers to be collected from Victoria Bridge on arrival, to match your email confirmation. An animal entered in more than one class will have only one numbered card, which must be used each time the horse is shown. Competitors wearing an incorrect number or more than one number in the Ring are liable to disqualification.

Competition numbers to be worn on the Rider's or attendant's back. In national showjumping competitions numbers may be displayed on the bridle or saddlecloth. There will be no access to the Show Ground unless the number is visible. In Driving Classes the number must be affixed on the back of the vehicle when the horse enters the ring.

These regulations apply to Day and Evening Sessions.

Protective headgear should be worn by anybody riding a horse / pony for any reason in accordance with the Governing Body to which the class is affiliated to. This includes all judges who may be required to ride and all grooms etc riding outside the show rings.

18. The Judges named in the Schedule have accepted an invitation to officiate. The Committee reserves the right to appoint a substitute Judge.

POWER TO WITHHOLD OR DIVIDE PRIZES

VETERINARY EXAMINATION

20. The Judges of every class shall have power to require any animal to be examined for soundness by the Veterinary Surgeons. The result of any veterinary examinations shall be regarded as confidential.

Unsoundness, notwithstanding an award of prizes, will disqualify, except in the Jumping Competition.

It is the responsibility of Owners of horses/ponies based in the United Kingdom to settle directly with the Show's veterinary surgeons any veterinary costs incurred while a horse/pony or horses/ponies in their ownership are on the Showground if, for any veterinary or animal welfare reasons, a horse is declared unfit to travel. Any Owner who fails to settle a veterinary account and/or other related costs will be excluded from future entry to the Royal Windsor Horse Show.

Where, in the opinion of the Show's Veterinary Surgeon, a horse is so severely injured that it ought to be humanely destroyed, the Owner/Trainer/Rider/Driver should, wherever possible, first be informed. However, the Show's Veterinary Surgeon may proceed with humane destruction, without reference to Owner/Trainer/Rider/Driver, in order to prevent undue suffering to the horse. Before taking this action the Show's Veterinary Surgeon should, wherever practicable, seek a second veterinary opinion. In such eventuality, owners are responsible for the cost of disposal.

Unless Competitors declare by the correct time they will not be allowed to jump (see page 21).

EXERCISING AND WORKING IN

34. The welfare of all equine competitors participating at the Show is of paramount importance to the Royal Windsor Horse Show Committee. The Show will be strictly enforcing that all Riders should be of an appropriate size and weight for the horse/pony being ridden anywhere on the showground, including the Horsebox Park. Riders deemed oversized for their mount will be asked to dismount by a Show Official or Steward; and may be ineligible to compete as a combination. Ponies competing in any Lead Rein or First Ridden class may only be exercised and ridden outside the ring by a Rider 16 years old or under. An overweight or underweight animal would be of concern under veterinary grounds. Following veterinary advice from the Show's onsite Veterinary Team the Rider may be asked to dismount the animal, and under these circumstances the animal may not be eligible to compete at the Show. Any appeals against these rulings must be made, on the day, in writing to the Entries Secretary and will be dealt with by the Appeal Committee (see Condition 4 (b) – Objections).

35. Only horses and ponies entered in the Show are allowed on the Show Ground (this includes the Horse Box Park).

This RWHS Sub-Committee is attended by the Show Chairman, Chief Steward, Chief Showing Steward and two independent members along with the Show Secretariat. In collaboration this sub-committee makes Judge selections, these recommendations are then sent to the main RWHS Committee to be ratified. Upon Committee approval the individual Showing Societies are informed of the shows choices and the Judges are invited to attend the show.
